**SUBJECT: TITLE II FORMULA BLOCK GRANT - FUNDING FOR JUVENILE JUSTICE
PREVENTION/INTERVENTION EFFORTS AND SYSTEM REFORM**

The Corrections Standards Authority (CSA) and the State Advisory Committee on Juvenile Justice and Delinquency Prevention (SACJJDP) are pleased to inform you that your project has been chosen to participate in the Request for Proposal (RFP) process to determine grant awards totaling up to \$4.6 million dollars in federal Title II Formula Block Grant funds.

As part of the process for the Request for Qualification (RFQ), a panel of juvenile justice subject matter experts reviewed and evaluated each qualifications document against approved RFQ rating criteria and determined the top ranked applicants to be invited to compete in the Phase II- RFP process. The list of RFP invitees was approved by the SACJJDP on July 13 and by the CSA Board on July 14, 2011.

Applications for Phase II require a more detailed description of the project, including budget justification and system improvement/reform efforts. Proposals will again be ranked based upon evaluation of the proposals against approved RFP rating criteria.

Funding recommendations will be brought before the SACJJDP and the CSA Board for consideration for final funding awards at the November 2011 meetings; the anticipated grant start date is January 1, 2012.

The list of RFP invitees, the proposal application and instructions for this competitive RFP are posted on the CSA's website at:

Proposals must be received at the CSA office in Sacramento no later than 5:00 p.m. on Friday, August 12, 2011. Proposals should be sent or hand-delivered to:
